

Sponsors

IEEE Robotics and Automation Society
Shandong Robotics Society
Qingdao Municipal Government
Tianjin University
Ritsumeikan University

Advisory Committee Chair

Tzyh-Jong Tarn (Washington University, USA)

Members

Tianran Wang (Shenyang Institute of Automation, China)
Shigeo Hirose (HiBot, Japan)
Toshio Fukuda (Meijo University, Japan)
Haibin Yu (Shenyang Institute of Automation, China)
Raja Chatila (ISIR, France)
Yuechao Wang (Chinese Academy of Sciences, China)

General Chair

Shugen Ma (Ritsumeikan University, Japan)

Co-Chairs

Satoshi Tadokoro (Tohoku University, Japan)
Zhidong Wang (Chiba Institute of Technology, Japan)

Program Chair

Atsushi Yamashita (University of Tokyo, Japan)

Co-Chairs

Kazuhiro Kosuge (Tohoku University, Japan)
Aiguo Ming (University of Electro-Communications, Japan)

Regional Program Chairs

Kazuhiro Yokoi (AIST, Japan)
Tatsuo Arai (Osaka University, Japan)
Gregory S. Chirikjian (Johns Hopkins University, USA)
James K. Mills (University of Toronto, Canada)
Tim Lueth (TUM, Germany)
Stefano Chiaverini (Universita' degli Studi di Cassino, Italy)
Jackrit Suthakorn (Mahidol University, Thailand)
Frank C. Park (Seoul National University, Korea)
Zongquan Deng (Harbin Institute of Technology, China)
Tianmiao Wang (Beihai University, China)

Awards Chairs

Makoto Kaneko (Osaka University, Japan)
Hong Zhang (University of Alberta, Canada)
Bradley Nelson (ETHZ, Switzerland)
Jintai Liu (Nankai University, China)
Dong Sun (City University of Hong Kong, China)

Workshops and Special Sessions Chairs

Kundong Wang (Shanghai Jiaotong University, China)
Qinghao Meng (Tianjing University, China)
Jun Luo (Shanghai University, China)
Suengho Kim (KAERI, Korea)
Qiang Huang (Beijing Institute of Technology, China)
Kazuhiro Shimonomura (Ritsumeikan University, Japan)
Yibin Li (Shandong University, China)

Industrial Forum Chairs

Daokui Qu (SIASUN, China)
Sadao Kawamura (Ritsumeikan University, Japan)
Xinyuan He (China Czechoslovakia Machine Tool Co, LTD., China)
Chengjun Ding (Hebei University of Technology, China)

Industrial-Government-Academic Cooperation Chairs

Jinchang Liu (MOST, China)
Hajime Asama (University of Tokyo, Japan)
Jianwei Zhang (University of Hamburg, Germany)

Poster Sessions Chairs

Yong Yu (Kagoshima University, Japan)
Chi Zhu (Maebashi Institute of Technology, Japan)
Zhenli Lu (Chuangshu Institute of Technology, China)

Financial Chairs

Youfu Li (City University of Hong Kong, China)
Qiquan Quan (Harbin Institute of Technology, China)

Registration Chairs

Hongguang Wang (Shenyang Institute of Automation, China)
Changlong Ye (Shenyang Institute of Aeronautical Engineering, China)

Local Arrangement Chairs

Lei Zhang (Ocean University of China, China)
Liang Xian (Qingdao Institute for Ocean Engineering of Tianjin University, China)

Publicity Chairs

Huosheng Hu (University of Essex, U. K.)
Yasuhisa Hirata (Tohoku University, Japan)
Shuxiang Guo (Kagawa University, Japan)
Yangmin Li (University of Macau, China)
Xuedong Chen (Huazhong University of Science and Technology, China)
Nak Young Chong (JAIST, Japan)
De Xu (Institute of Automation, CAS, China)
Minghui Wang (Shenyang Institute of Automaton, CAS, China)

Publications Chair

Xiaodong Wu (Shanghai Jiaotong University, China)
Qi An (University of Tokyo, Japan)

Secretariats

Atsushi Kakogawa (Ritsumeikan University, Japan)
Chao Ren (Tianjin University, China)

ROBIO 2016

Qingdao, China

2016 IEEE International Conference on Robotics and Biomimetics
December 3 – December 7, 2016

"Robots serve for the Ocean"

Call for Workshop and Tutorials

We invite proposals for half-day or full-day workshops and tutorials. These workshops and tutorials will be held after the main conference, on **Dec. 7 (Wednesday)**. They will take place at the main conference venue, Shangri-La Hotel, Qingdao, China. The primary criteria for selection are the anticipated level of interest, the potential impact, and the presenters' technical background.

Workshops promote informal discussion of an active research area. Tutorials involve formal presentation of the principles (e.g., tools and methods) behind an established research area. We particularly welcome creative new formats for both workshops and tutorials that increase the number of participants, that encourage participants to stay for the full duration of the event, that enhance discussion among participants, that increase the level of interaction between established experts and early-career researchers, and that make useful connections to fields outside of robotics.

Important Dates:

Jul. 16, 2016

Sep. 23, 2016

Oct. 8, 2016

Dec. 4-7, 2016

Deadline for workshop and tutorial proposals

Notification of acceptance for workshops and tutorials Invited Session

Submission of the url for the event's website containing an updated title, abstract, and schedule

Workshops and tutorials held at ROBIO2016

All deadline are 23:59 China Beijing Time.

Submission Guideline:

A proposal must be a pdf file submitted by sending email to Professor Kundong Wang. Proposals must follow this template. In summary, the proposal must have these elements (described in more detail in the template):

- Type and duration (Specify workshop or tutorial, half-day or full-day)
- Title
- Organizers
- URL
- Abstract (200 word maximum)
- Content (500 word maximum)
- Plan to solicit participation (500 word maximum)
- Plan to encourage interaction among participants (500 word maximum)
- Equipment. Anything needed other than a projector and screen.

Upon selection of their proposal, organizers will also be required to prepare a workshop or tutorial abstract (one page) in due time for the ROBIO2016 handout. We look forward to hosting your workshops and tutorials at ROBIO2016.
